

Numbers 31:44 And thirty and six
thousand beeves,

A low-angle photograph of a tree, likely a cherry tree, with dense foliage. The leaves are a mix of reddish-brown and brown, suggesting autumn. Interspersed among the leaves are numerous small, white, five-petaled blossoms. The tree's branches are dark and intricate, creating a complex pattern against a clear, bright blue sky. The overall scene is vibrant and natural.
