

Deuteronomy 14:18 And the stork,
and the heron after her kind, and
the lapwing, and the bat.

A close-up photograph of a garden filled with various flowers. The most prominent are numerous pink daisy-like flowers with dark blue centers, scattered throughout the frame. Interspersed among them are several deep purple flowers, possibly petunias, with ruffled petals. The background is a thick carpet of green leaves, some of which are serrated. The overall scene is vibrant and lush.
