

A photograph of a duck swimming in a pond. The duck is in the center-right of the frame, facing right. It has a brown and grey body with a distinctive white patch on its head. The water is dark and reflects the surrounding reeds and lily pads. There are several lily pads floating on the water's surface, and many reeds are visible in the background and foreground. The text is overlaid on the image in a large, white, serif font.

Daniel 07:08 I considered the horns, and, behold, there came up among them another little horn, before whom there were three of the first horns plucked up by the roots: and, behold, in this horn were eyes like the eyes of man, and a mouth speaking great things.
