

A close-up photograph of a blue iris flower. The flower is in full bloom, showing its characteristic three large petals and three smaller ones. The petals are a vibrant blue with some darker veining. To the right of the main flower, there is a developing bud, which is a reddish-brown color. The background is a soft, out-of-focus green, suggesting other foliage. The text is overlaid on the upper portion of the image.

**Mark 07:01 Then came together  
unto him the Pharisees, and  
certain of the scribes, which came  
from Jerusalem.**
