

1st Corinthians 05:12 For what have
I to do to judge them also that are
without? do not ye judge them that
are within?

A large number of monarch butterflies are scattered across a sandy, light-colored ground. The butterflies are mostly orange with black markings on their wings. Some are resting on the sand, while others are slightly raised as if they have just landed or are about to take flight. The background shows some sparse green grass and dry twigs, suggesting a natural outdoor setting.
