

1st Timothy 03:12 Let the deacons
be the husbands of one wife,
ruling their children and their own
houses well.

A lush green forest scene with a waterfall cascading over moss-covered rocks. The water flows from the top center, splitting into several streams as it falls over large, dark rocks covered in vibrant green moss. The surrounding forest is dense with various shades of green foliage, including large leaves and smaller plants. The overall atmosphere is serene and natural.
