

A close-up photograph of a shallow stream bed. The water is clear, revealing a bed of smooth, dark brown and grey stones of various sizes. Patches of white foam or snow are scattered across the water's surface, particularly on the right side and in the foreground. The lighting is soft, creating gentle reflections on the water and stones.

Genesis 19:32 Come, let us make
our father drink wine, and we will
lie with him, that we may preserve
seed of our father.
