

A photograph of a stone wall made of large, rectangular, reddish-brown blocks. A path of similar stones leads from the foreground into the distance, flanked by rougher, darker stones on the left. The background is slightly blurred, showing more of the path and some greenery.

2nd Samuel 06:06 And when they
came to Nachon's threshingfloor,
Uzzah put forth his hand to the
ark of God, and took hold of it; for
the oxen shook it .
