

Ezekiel Chapter Forty Eight

A landscape photograph capturing a city at dusk or night. In the foreground, the dark silhouette of a forested hillside is visible. Below it, the city lights of a large urban area begin to glow, with clusters of lights from buildings and streets. In the middle ground, the city extends towards the horizon. Above the city, a range of mountains is visible against a sky filled with scattered clouds. The sky transitions from a deep blue at the bottom to a warm orange and yellow near the horizon, suggesting the time is either sunset or sunrise.
