

A close-up photograph of a cluster of pink hydrangea flowers. The petals are numerous, small, and have a delicate, slightly ruffled texture. The color is a vibrant pink, with some variations in shade due to the lighting and the way the petals overlap. A green stem is visible on the left side of the frame, and the background is a soft, out-of-focus green.

Revelation 14:06 And I saw another
angel fly in the midst of heaven,
having the everlasting gospel to
preach unto them that dwell on
the earth, and to every nation, and
kindred, and tongue, and people,
