

A monarch butterfly with vibrant orange wings and black markings is perched on a green plant with large, pointed leaves. The background is a soft, out-of-focus green. Overlaid on the image is white text in a serif font, which is the biblical verse Leviticus 13:51.

Leviticus 13:51 And he shall look on the plague on the seventh day: if the plague be spread in the garment, either in the warp, or in the woof, or in a skin, or in any work that is made of skin; the plague is a fretting leprosy; it is unclean.
