

A close-up photograph of two vibrant orange butterflies with dark markings on their wings, resting on a textured, greyish-brown rock. The butterflies are positioned diagonally across the frame, with one slightly behind and to the right of the other. The background is softly blurred, showing hints of green foliage. The text is overlaid in a white, serif font, centered over the butterflies and the rock.

**Judges 21:12** And they found among the inhabitants of Jabeshgilead four hundred young virgins, that had known no man by lying with any male: and they brought them unto the camp to Shiloh, which is in the land of Canaan.
