

**Revelation 05:03 And no man in
heaven, nor in earth, neither
under the earth, was able to open
the book, neither to look thereon.**

A close-up photograph of a passionflower (Passiflora) in full bloom. The flower features a central crown of numerous long, thin, purple filaments radiating outwards. Below this crown are several pale green, elongated petals. The center of the flower is a mix of yellow and green, with a small, dark, circular opening. The background consists of dark green, serrated leaves, some of which are slightly out of focus, creating a sense of depth. The overall lighting is soft, highlighting the intricate details of the flower's structure.
