

5009. Strong's Dictionary Study

5009. tameion {tam-i'-on}; neuter contraction of a presumed derivative of tamiás (a dispenser or distributor; akin to temno, to cut); a dispensary or magazine, i.e. a chamber on the ground-floor or interior of an Oriental house (generally used for storage or privacy, a spot for retirement): --secret chamber, closet, storehouse. [q] ***. tanun. See 3568. [q]
