A close-up photograph of a cluster of purple flowers, likely azaleas, with prominent stamens. The flowers are in various stages of bloom, showing the delicate structure of the petals and the intricate details of the reproductive parts. The background is a dark, out-of-focus green, suggesting foliage.

Word Study for --- CHOLER

A scenic landscape featuring a vibrant blue lake in the foreground, surrounded by rocky terrain and sparse vegetation. In the background, there are dark, forested mountains under a clear sky. The overall scene is bright and natural.

Dan 08:07 And I saw him come close unto the ram, and he was moved with choler against him, and smote the ram, and brake his two horns: and there was no power in the ram to stand before him, but he cast him down to the ground, and stamped upon him: and there was none that could deliver the ram out of his hand.

Dan 11:11 And the king of the south shall be moved with choler, and shall come forth and fight with him, [even] with the king of the north: and he shall set forth a great multitude; but the multitude shall be given into his hand.
