Word Study for --- COAL

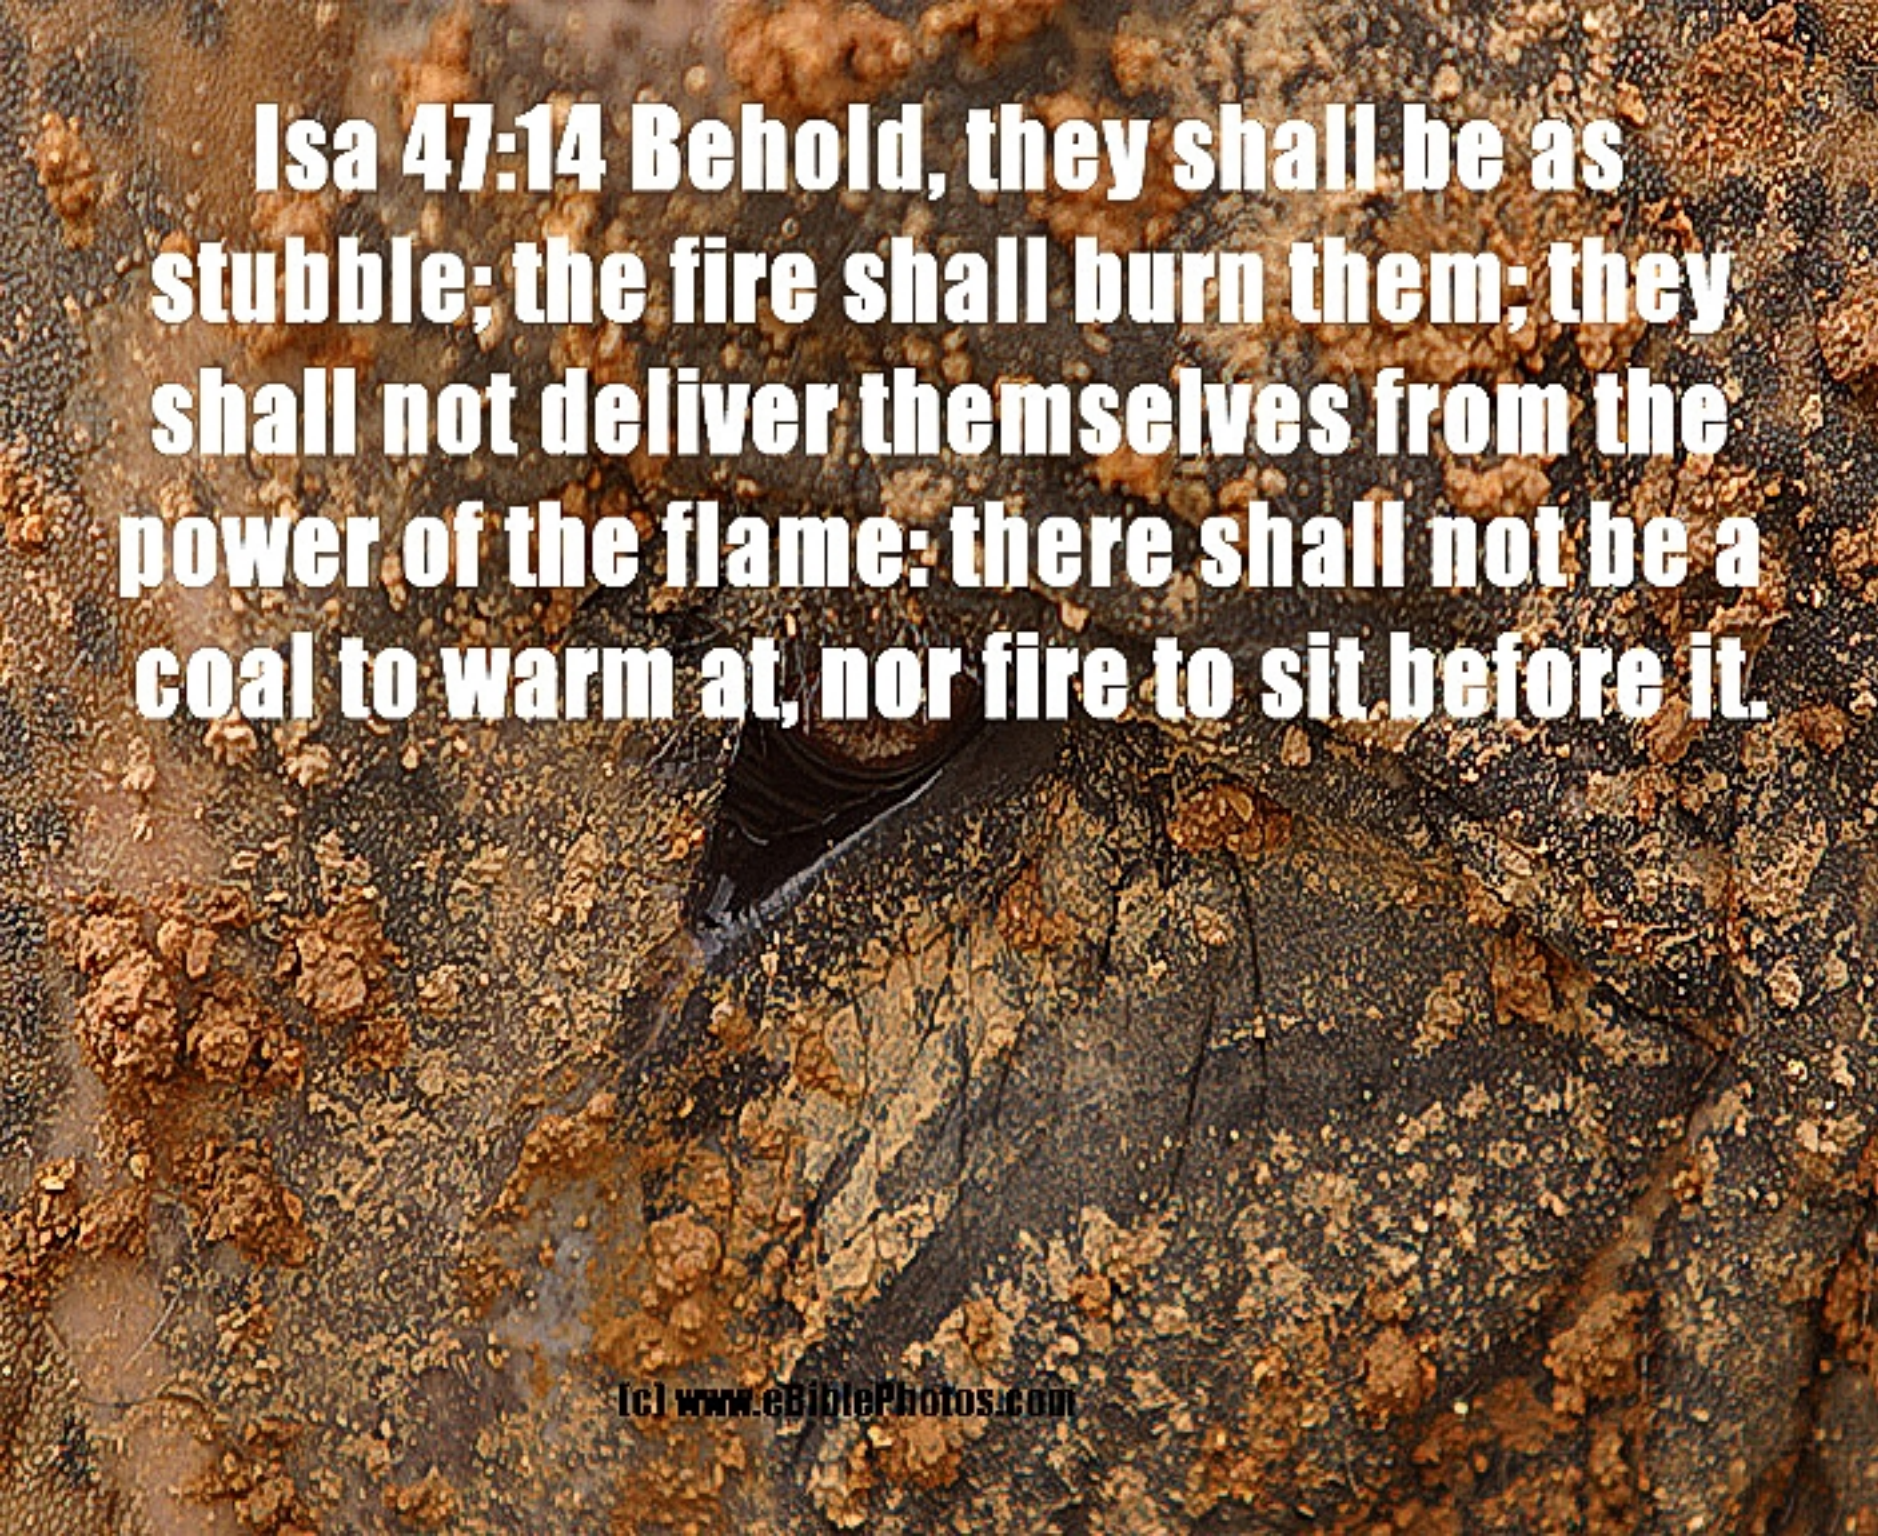

A dramatic landscape of layered rock formations, likely a canyon or cliffside, under a clear blue sky. The rocks are reddish-brown and grey, with some green vegetation on the right side. The text is overlaid in white, bold, sans-serif font.

2Sa 14:07 And, behold, the whole family is risen against thine handmaid, and they said, Deliver him that smote his brother, that we may kill him, for the life of his brother whom he slew; and we will destroy the heir also: and so they shall quench my coal which is left, and shall not leave to my husband [neither] name nor remainder upon the earth.

Isa 06:06 Then flew one of the seraphims unto me, having a live coal in his hand, [which] he had taken with the tongs from off the altar:

Isa 47:14 Behold, they shall be as stubble; the fire shall burn them; they shall not deliver themselves from the power of the flame: there shall not be a coal to warm at, nor fire to sit before it.

**Lam 04:08 Their visage is blacker than
a coal; they are not known in the
streets: their skin cleaveth to their
bones; it is withered, it is become like
a stick.**
