Word Study for --- CONSULT

A close-up photograph of a green leaf, likely a palm frond, showing its intricate vein structure. The veins are a vibrant yellow-green color, contrasting with the darker green of the leaf blade. The lighting creates a sense of depth and texture, highlighting the parallel veins that run across the leaf.

Psa 62:04 They only consult to cast [him] down from his excellency: they delight in lies: they bless with their mouth, but they curse inwardly. Selah.
