Word Study for --- HETHLON

A photograph of a long, paved path or driveway lined with tall, mature trees, likely plane trees, on both sides. The trees have thick trunks and dense green foliage. The path is paved with light-colored stones and leads into a misty, hazy distance where the trees fade into a soft blue. The overall atmosphere is peaceful and suggests a quiet, rural or semi-rural setting.

**Eze 47:15 And this [shall be] the border
of the land toward the north side, from
the great sea, the way of Hethlon, as
men go to Zedad;**

Eze 48:01 Now these [are] the names of the tribes. From the north end to the coast of the way of Hethlon, as one goeth to Hamath, Hazarenan, the border of Damascus northward, to the coast of Hamath; for these are his sides east [and] west; a [portion for] Dan.
