Word Study for --- LYSIAS

A wide-angle landscape photograph capturing a sunset over a series of rolling hills. The sky is filled with dramatic, dark clouds illuminated from behind by the setting sun, creating a warm orange and yellow glow. In the foreground, a dark, textured field or road surface leads towards the horizon. On the right side, a small, dark building with a gabled roof sits atop a hill, partially obscured by trees. The overall atmosphere is serene and contemplative.

**Act 23:26 Claudius Lysias unto the
most excellent governor Felix I
sendethl greeting.**

**Act 24:07 But the chief captain Lysias
came [upon us], and with great
violence took [him] away out of our
hands,**

Act 24:22 And when Felix heard these things, having more perfect knowledge of [that] way, he deferred them, and said, When Lysias the chief captain shall come down, I will know the uttermost of your matter.
