# Word Study for --- LADIES

**Jud 05:29 Her wise ladies answered  
her, yea, she returned answer to  
herself,**

The background of the image shows a rugged, brownish landscape with many sharp, pointed rock formations. There are some green plants and trees scattered throughout, particularly on the left side and in the foreground. The overall scene appears to be a natural, somewhat desolate environment.

**Est 01:18 [Likewise] shall the ladies of Persia and Media say this day unto all the king's princes, which have heard of the deed of the queen. Thus [shall there arise] too much contempt and wrath.**
