A close-up photograph of a cluster of purple flowers, likely azaleas, with prominent stamens. The flowers are in various stages of bloom, showing delicate petals and vibrant purple hues. The background is a dark, out-of-focus green, suggesting foliage. The text is overlaid on the top portion of the image.

Word Study for --- LEEKS

**Num 11:05 We remember the fish,
which we did eat in Egypt freely; the
cucumbers, and the melons, and the
leeks, and the onions, and the garlic:**

A photograph of a rocky coastline. In the foreground, white-capped waves are breaking onto a sandy beach. In the middle ground, several large, dark, craggy rock formations protrude from the water. One rock on the left is particularly prominent, with a smaller rock in front of it. To the right, another rock formation has a natural archway. The sky is a clear, pale blue. The overall scene is bright and captures the raw power of the ocean.
