# **Word Study for --- LOWING**

A photograph of a natural landscape. In the foreground, there is a body of water with small ripples. On the right side, a large, light-colored rock formation sits in the water. Several white seabirds, possibly gulls or terns, are perched on the rocks. The background is filled with a dense forest of tall, thin evergreen trees, their branches bare or sparsely needled. The overall scene is peaceful and suggests a remote, natural environment.

**1Sa 06:12 And the kine took the straight way to the way of Bethshemesh, and went along the highway, lowing as they went, and turned not aside to the right hand or to the left; and the lords of the Philistines went after them unto the border of Bethshemesh.**

**1Sa 15:14 And Samuel said, What I meaneth! then this bleating of the sheep in mine ears, and the lowing of the oxen which I hear?**
