A close-up photograph of a cluster of purple flowers, likely azaleas, with prominent stamens. The flowers are in various stages of bloom, showing delicate petals and vibrant purple hues. The background is a dark, out-of-focus green, suggesting foliage. The text is overlaid on the top portion of the image.

Word Study for --- LURKING

1Sa 23:23 See therefore, and take knowledge of all the lurking places where he hideth himself, and come ye again to me with the certainty, and I will go with you: and it shall come to pass, if he be in the land, that I will search him out throughout all the thousands of Judah.

**Psa 10:08 He sitteth in the lurking
places of the villages: in the secret
places doth he murder the innocent:
his eyes are privily set against the
poor.**

A vibrant, high-angle photograph of a waterfall in a dense, green forest. The water is crystal clear and falls in several distinct streams from a rocky overhang, creating a misty spray at the base. The surrounding foliage is thick and verdant, with sunlight filtering through the leaves, creating a dappled light effect on the water and rocks.

**Psa 17:12 Like as a lion [that] is greedy
of his prey, and as it were a young lion
lurking in secret places.**
