Word Study for --- MELTING

A photograph of a desert landscape. In the foreground, there are large, layered red rock formations. The middle ground shows a rocky slope with sparse, dry vegetation. The background features a vast, flat desert plain under a clear, bright blue sky. The overall scene is arid and rugged.

**Isa 64:02 As when the melting fire
burneth, the fire causeth the waters to
boil, to make thy name known to thine
adversaries, that the nations may
tremble at thy presence!**
