Word Study for --- NATIVE

A scenic landscape featuring a calm lake in the background, surrounded by dense evergreen forests. The foreground is dominated by a lush green meadow with several tall, thin, yellowish-green stalks. The overall scene is bright and vibrant, with a clear sky and distant mountains.

**Jer 22:10 Weep ye not for the dead,
neither bemoan him: [but] weep sore
for him that goeth away: for he shall
return no more, nor see his native
country.**
