Word Study for --- RODS

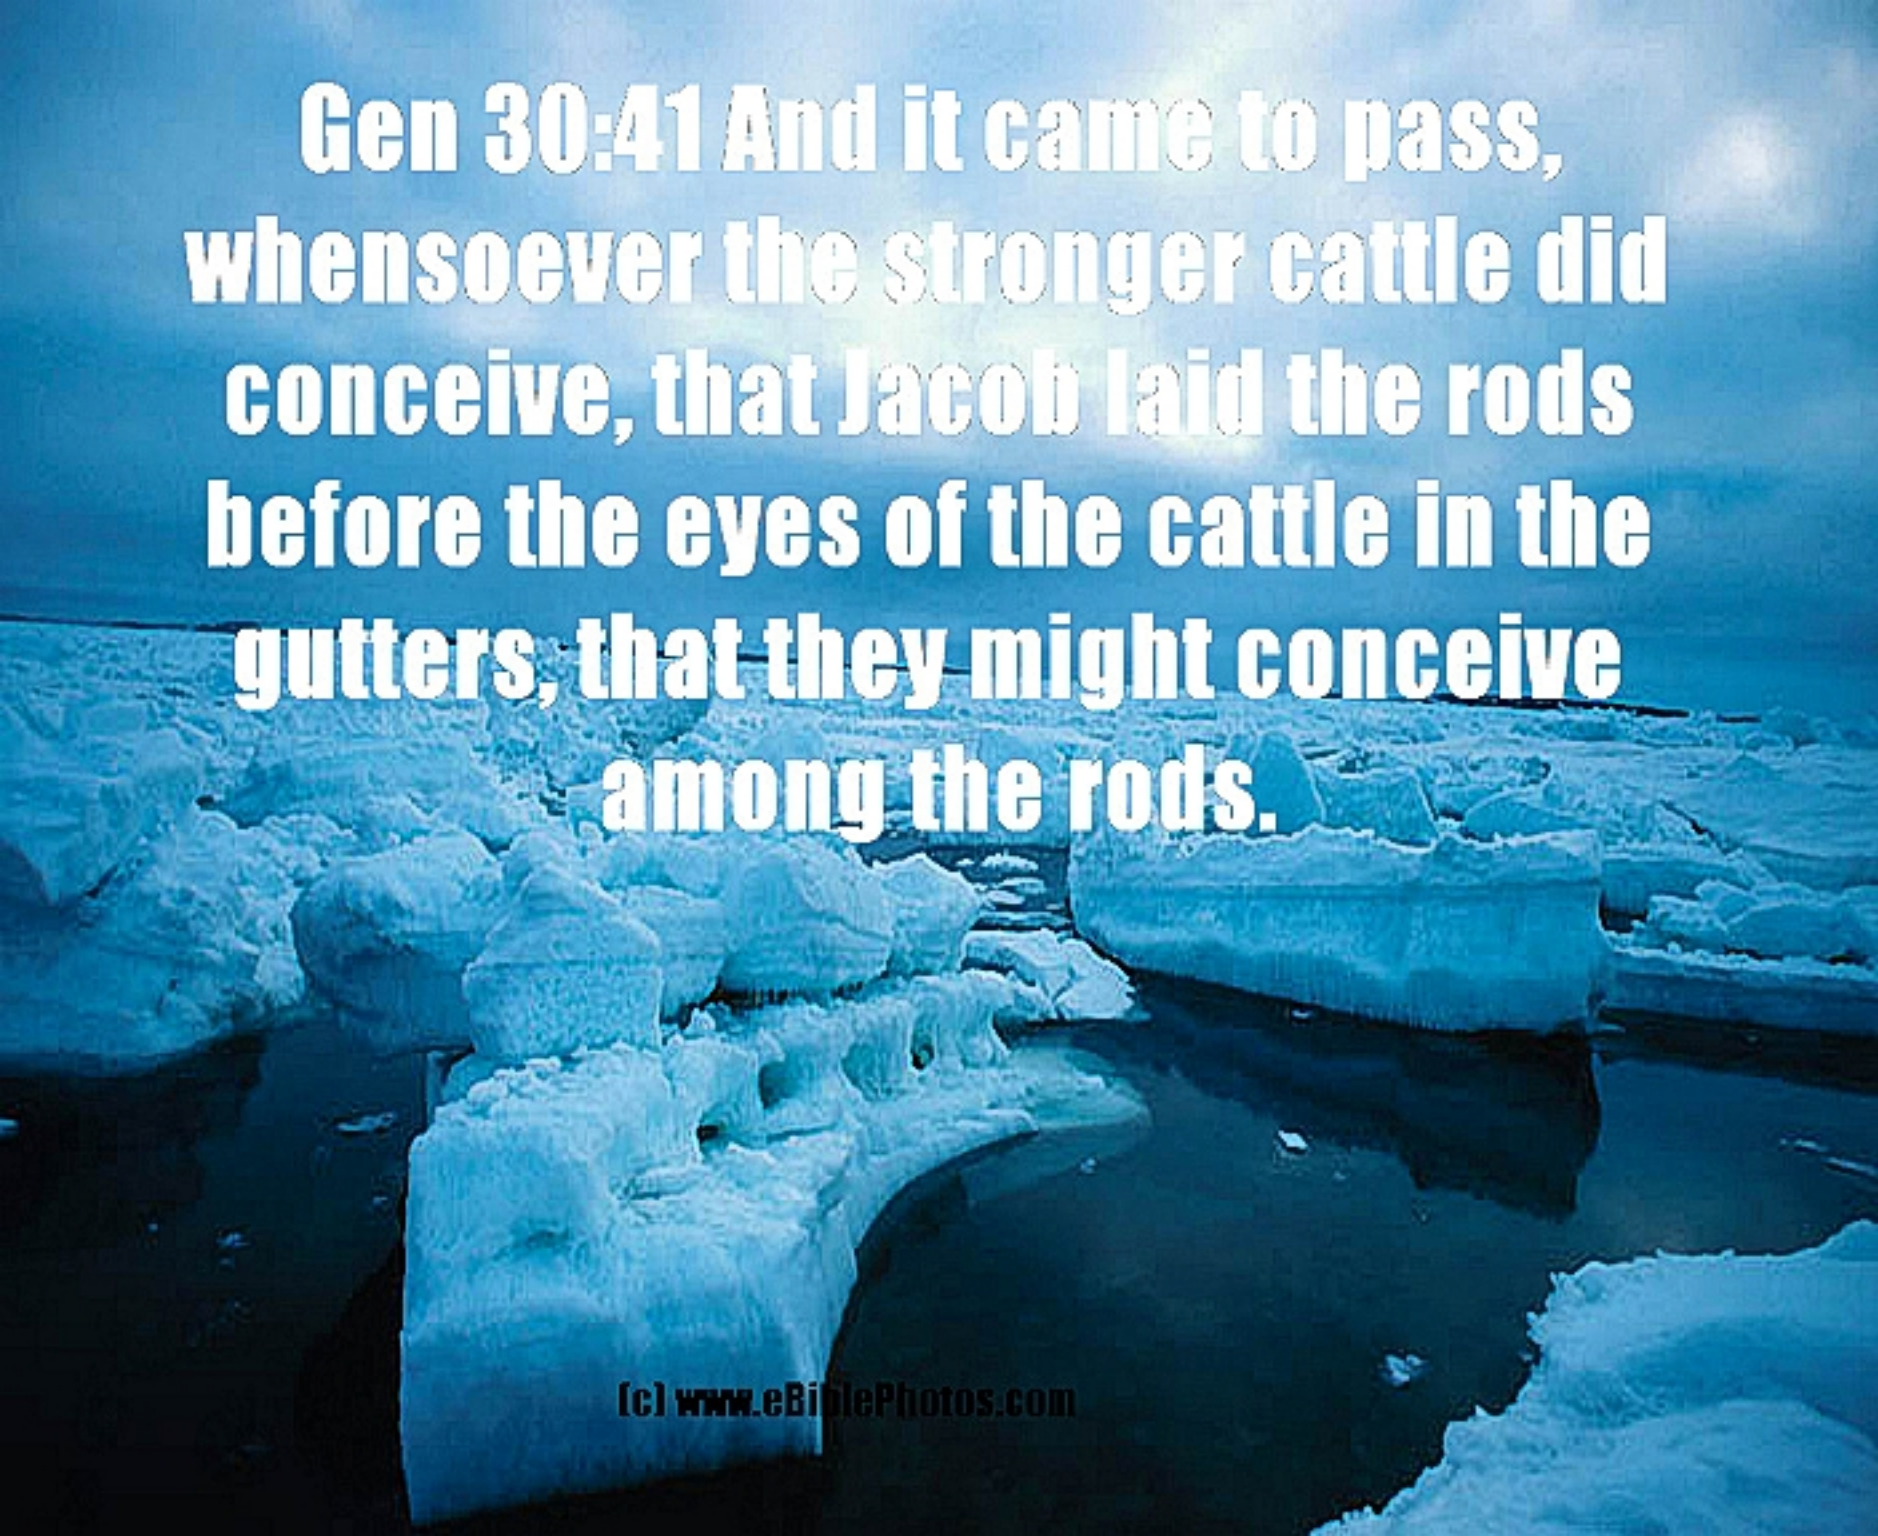

Gen 30:37 And Jacob took him rods of green poplar, and of the hazel and chestnut tree; and pilled white streaks in them, and made the white appear which was in the rods.

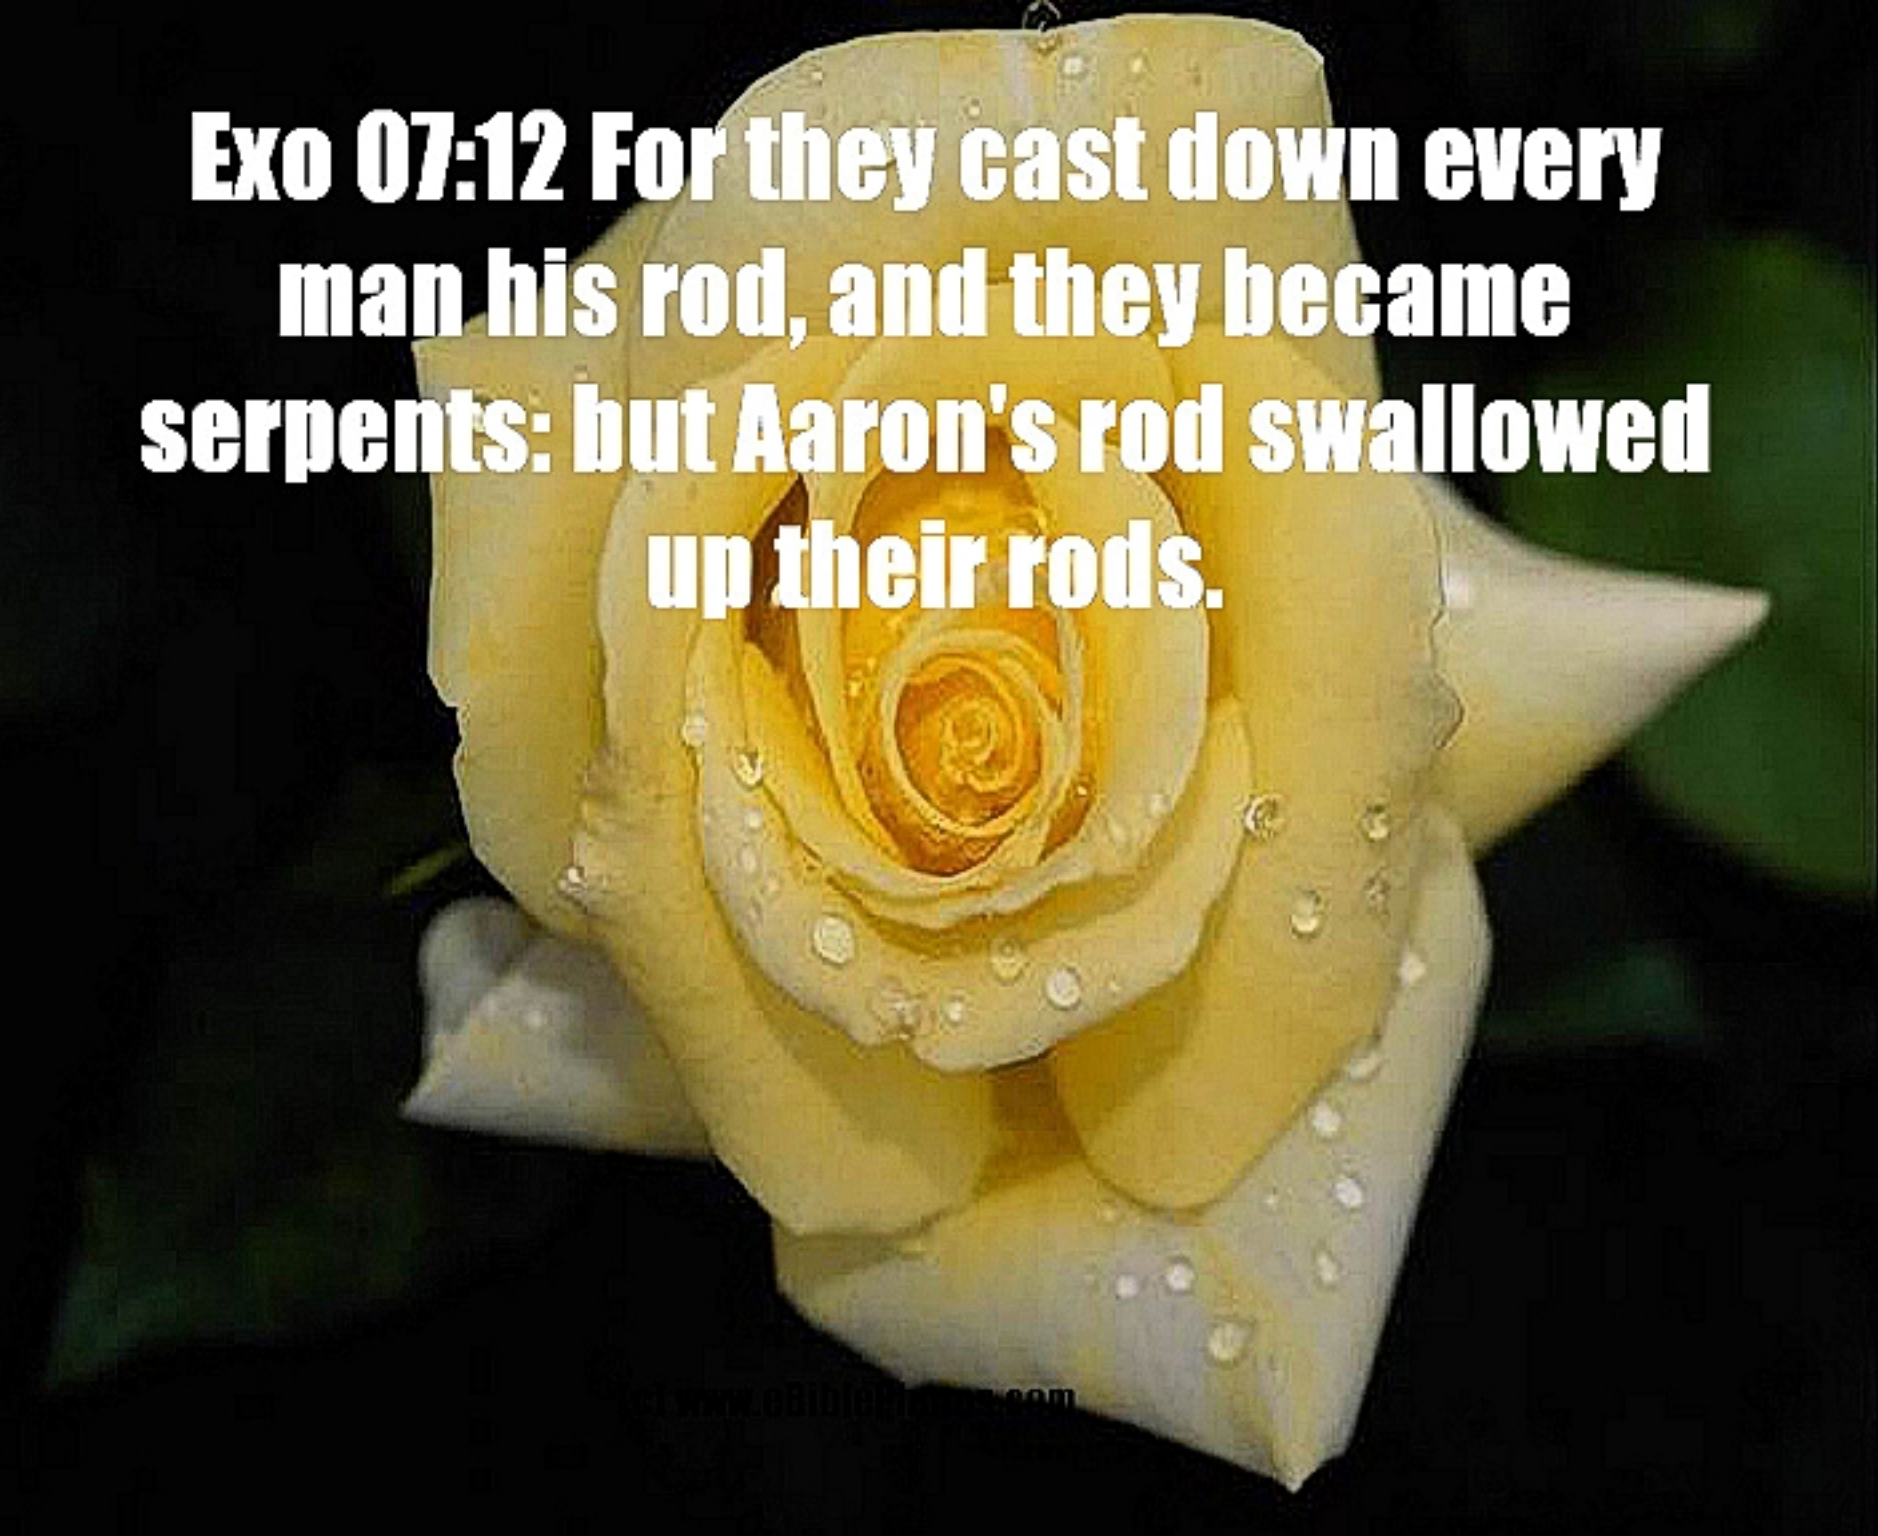

A blue-tinted photograph of a beach scene. In the foreground, waves are crashing onto a sandy shore. Several large, dark rocks are scattered in the shallow water. The sky is a clear, light blue. The overall mood is serene and natural.

Gen 30:38 And he set the rods which he had pilled before the flocks in the gutters in the watering troughs when the flocks came to drink, that they should conceive when they came to drink.

**Gen 30:39 And the flocks conceived
before the rods, and brought forth
cattle ringstreaked, speckled, and
spotted.**

A blue-tinted photograph of a frozen body of water, likely a lake or sea. Large, irregular chunks of ice are scattered across the surface, with a narrow channel of dark water winding through them. The sky is a pale, hazy blue, and the overall scene is serene and cold.

**Gen 30:41 And it came to pass,
whensoever the stronger cattle did
conceive, that Jacob laid the rods
before the eyes of the cattle in the
gutters, that they might conceive
among the rods.**

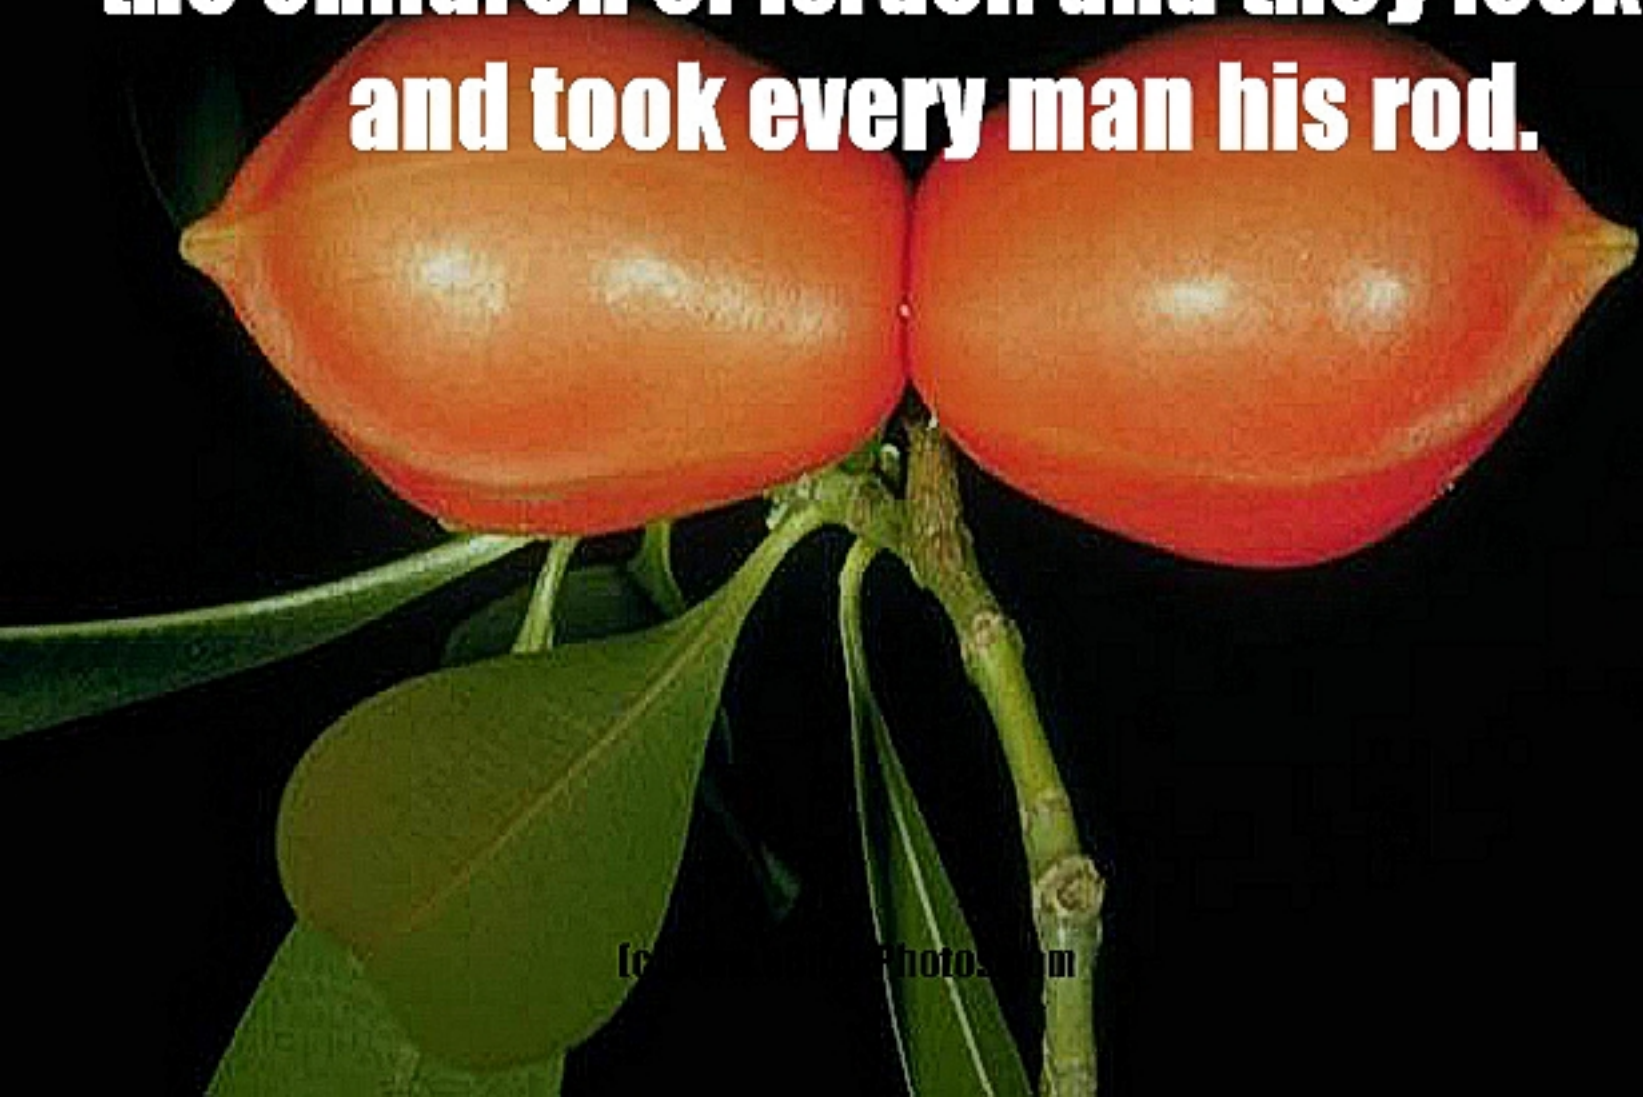

**Exo 07:12 For they cast down every
man his rod, and they became
serpents: but Aaron's rod swallowed
up their rods.**

Num 17:02 Speak unto the children of Israel, and take of every one of them a rod according to the house of [their] fathers, of all their princes according to the house of their fathers twelve rods; write thou every man's name upon his rod.

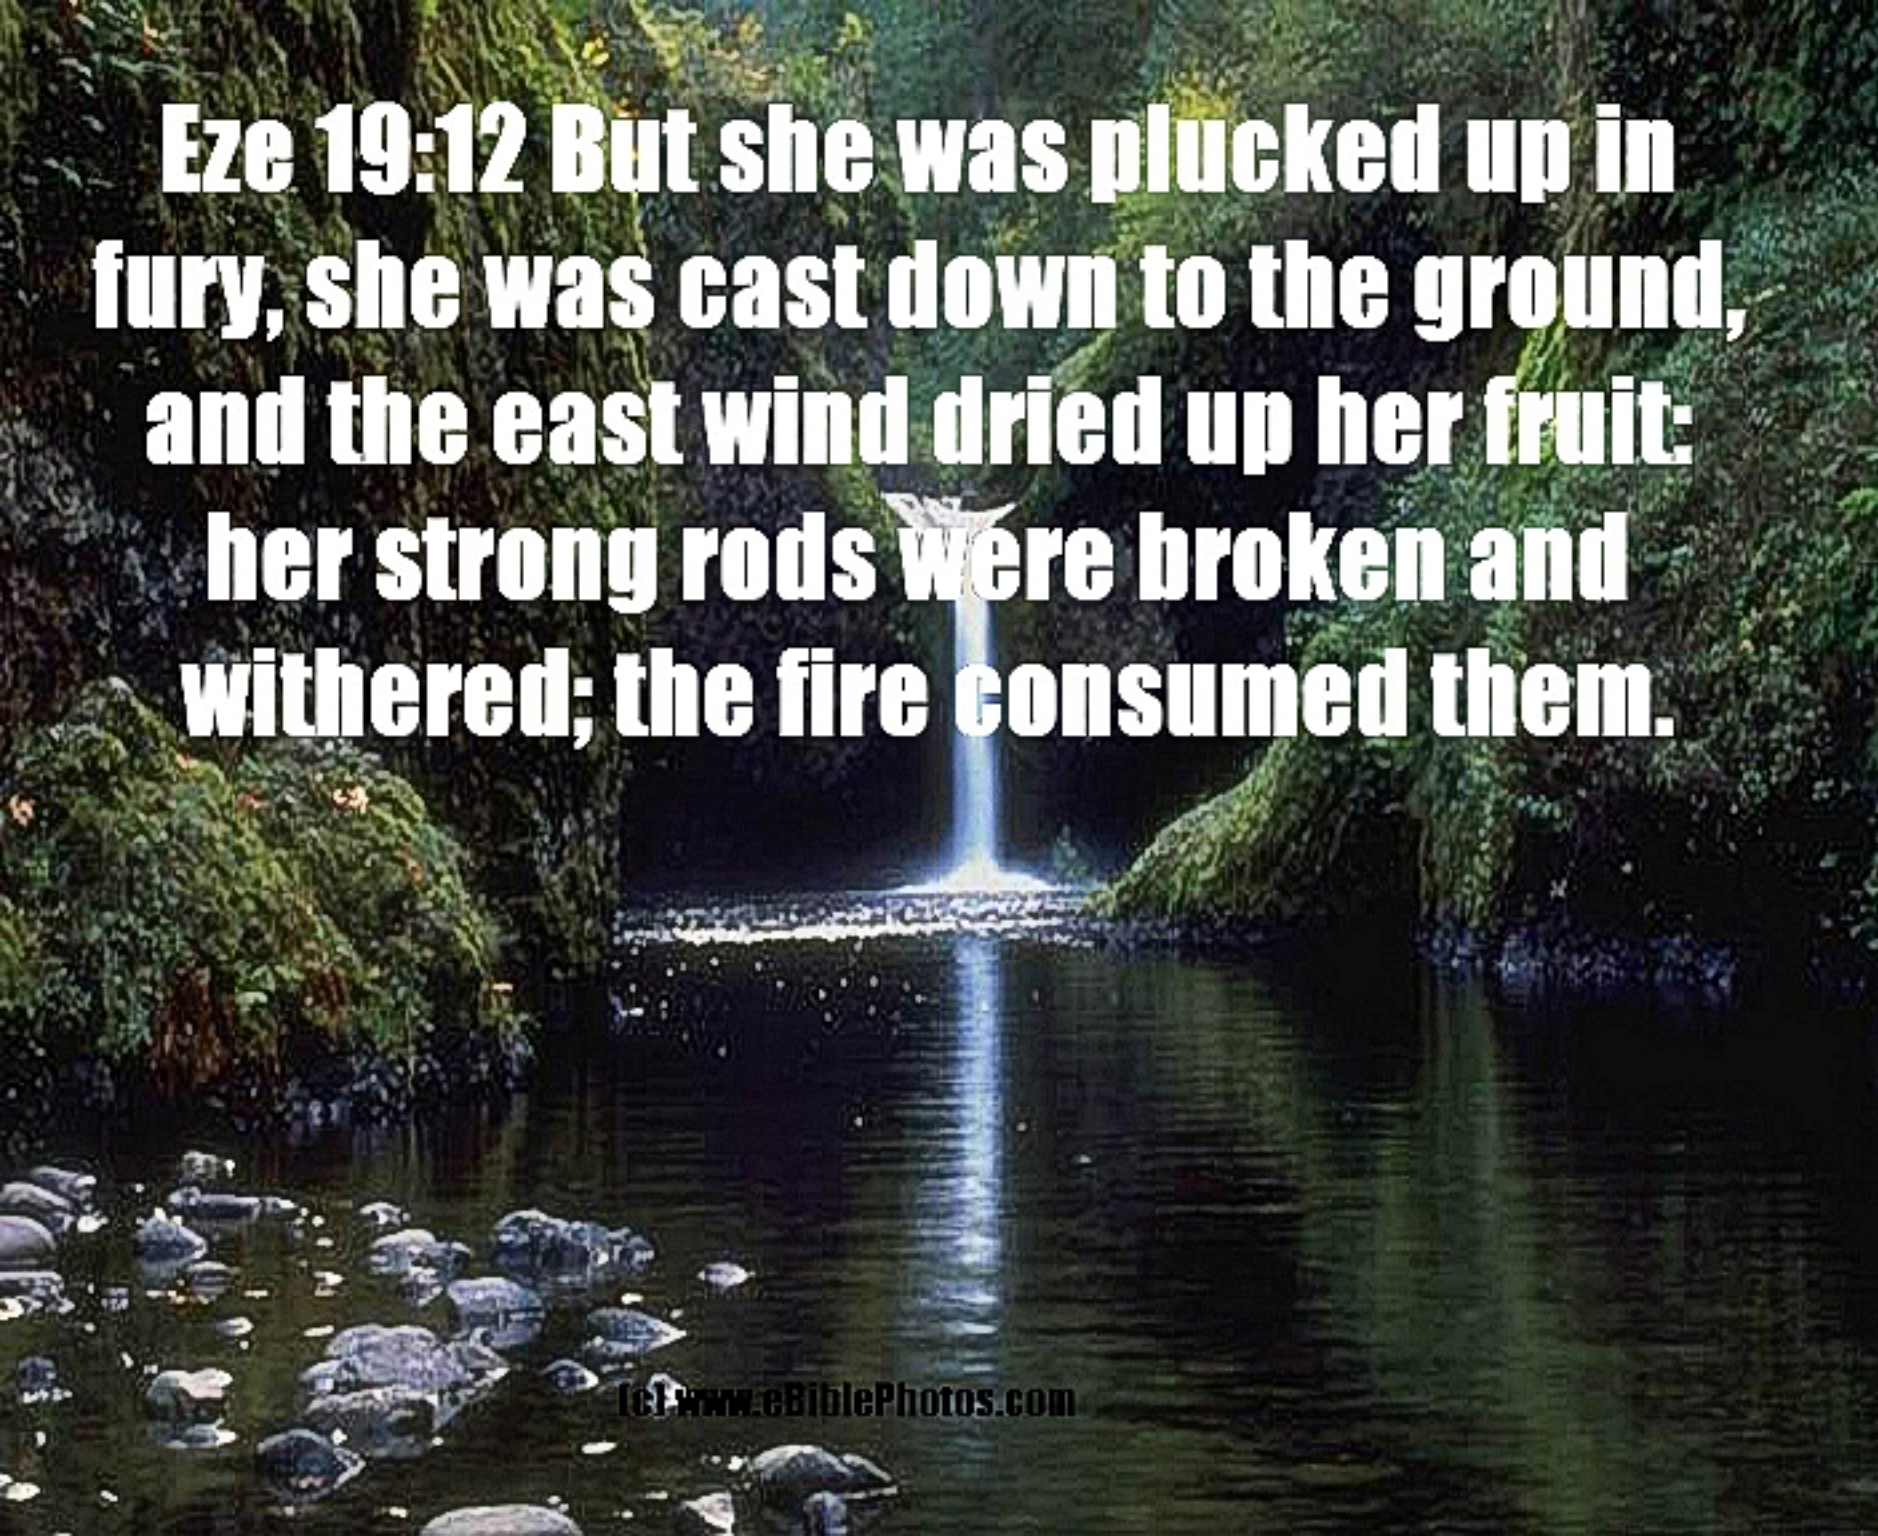

Num 17:06 And Moses spake unto the children of Israel, and every one of their princes gave him a rod apiece, for each prince one, according to their fathers' houses, even twelve rods: and the rod of Aaron was among their rods.

**Num 17:07 And Moses laid up the rods
before the LORD in the tabernacle of
witness.**

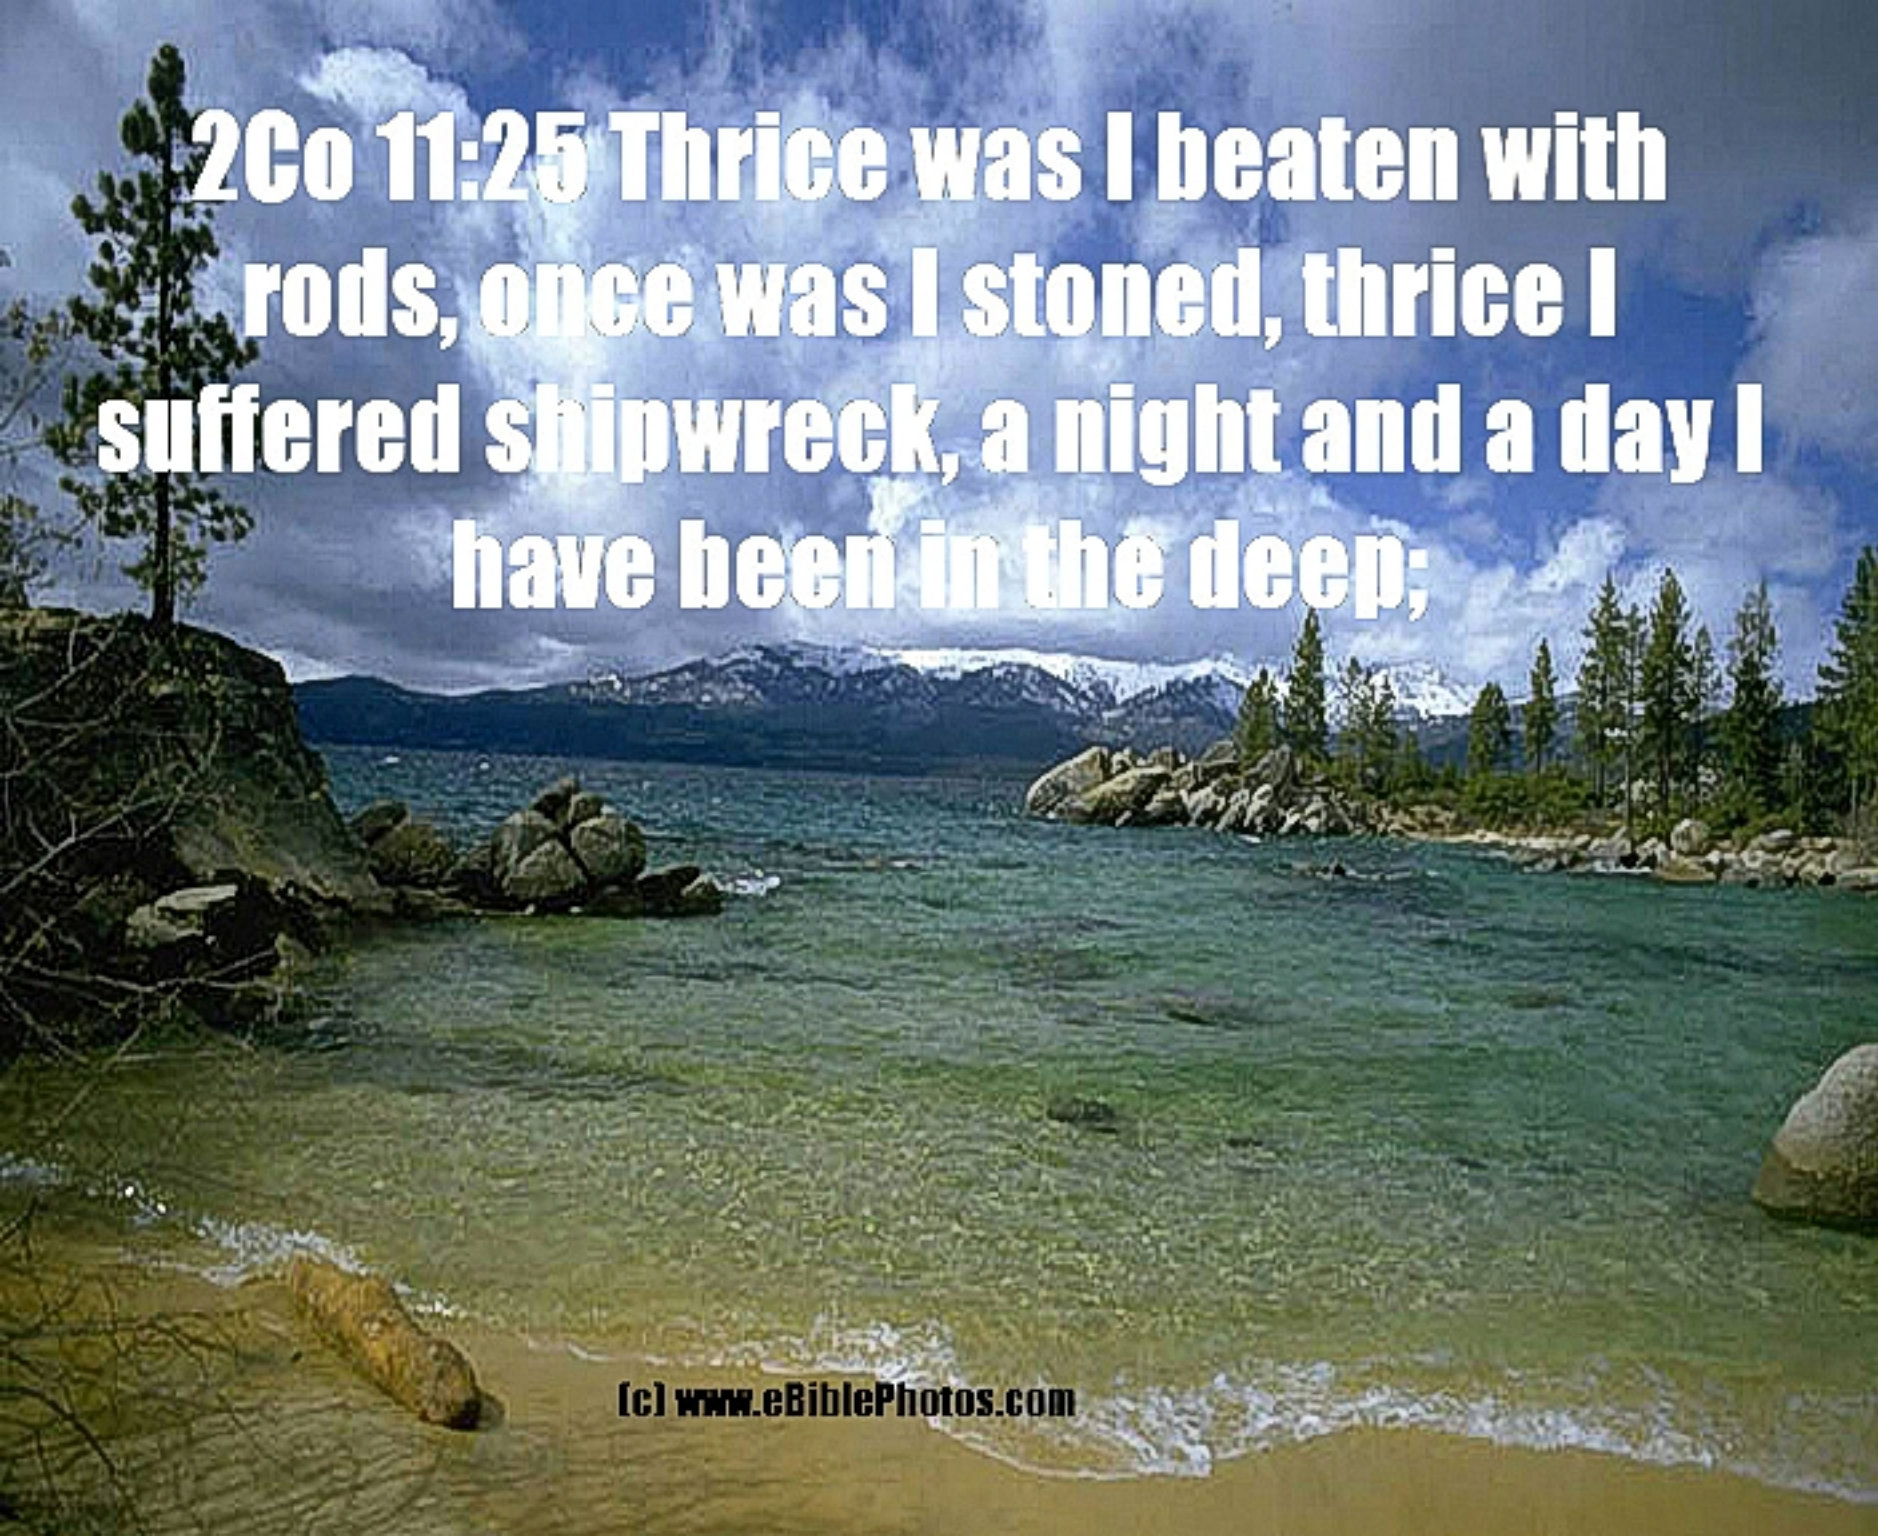

Num 17:09 And Moses brought out all the rods from before the LORD unto all the children of Israel: and they looked, and took every man his rod.

**Eze 19:11 And she had strong rods for
the sceptres of them that bare rule,
and her stature was exalted among
the thick branches, and she appeared
in her height with the multitude of her
branches.**

A lush green forest with a waterfall cascading into a stream. The waterfall is the central focus, with water falling from a rocky ledge into a pool of water below. The surrounding vegetation is dense and vibrant green. The stream flows from the waterfall towards the foreground, where several large, smooth rocks are visible. The overall scene is serene and natural.

**Eze 19:12 But she was plucked up in
fury, she was cast down to the ground,
and the east wind dried up her fruit:
her strong rods were broken and
withered; the fire consumed them.**

2Co 11:25 Thrice was I beaten with rods, once was I stoned, thrice I suffered shipwreck, a night and a day I have been in the deep;
