# **Word Study for --- SHAMGAR**

A wide-angle photograph of a coastal scene at dusk or dawn. The sky is filled with large, billowing clouds that are illuminated from behind by a low sun, casting a warm orange and red glow across the horizon. This light reflects off the dark, choppy water of a bay or ocean. In the foreground, there's a sandy beach with some low-lying vegetation. The overall atmosphere is serene and somewhat dramatic due to the lighting.

**Jud 03:31 And after him was Shamgar  
the son of Anath, which slew of the  
Philistines six hundred men with an ox  
goad: and he also delivered Israel.**

**Jud 05:06 In the days of Shamgar the son of Anath, in the days of Jael, the highways were unoccupied, and the travellers walked through byways.**
