A top-down view of a green landscape with a textured surface. Several winding, light-colored paths or streams cut through the terrain. Small, dark, bushy trees are scattered across the area, with a few having red flowers or fruit. The overall scene is a stylized representation of a natural environment.

Word Study for -- SATIATE

**Jer 31:14 And I will satiate the soul of
the priests with fatness, and my
people shall be satisfied with my
goodness, saith the LORD.**

**Jer 46:10 For this is the day of the Lord
GOD of hosts, a day of vengeance, that
he may avenge him of his adversaries:
and the sword shall devour, and it shall
be satiate and made drunk with their
blood: for the Lord GOD of hosts hath a
sacrifice in the north country by the
river Euphrates.**
