Word Study for --- SENSES

A dark, textured stone with a simple face carved into it, set against a background of dry grass and green leaves. The stone is the central focus, with a face that has two oval eyes and a simple, slightly downturned mouth. The background is a mix of brown, dry grass and green, leafy plants, creating a natural, earthy setting.

those who by reason of use have their
senses exercised to discern both
good and evil.**
