A close-up photograph of a cluster of purple flowers, likely azaleas, with prominent stamens. The flowers are in various stages of bloom, showing delicate petals and long, thin stamens with yellowish tips. The background is a dark, out-of-focus green, suggesting foliage.

# Word Study for --- SNUFFED

**Jer 14:06 And the wild asses did stand  
in the high places, they snuffed up the  
wind like dragons; their eyes did fail,  
because there was no grass.**

**Mal 01:13 Ye said also, Behold, what a weariness [is it]! and ye have snuffed at it, saith the LORD of hosts; and ye brought [that which was] torn, and the lame, and the sick; thus ye brought an offering: should I accept this of your hand? saith the LORD.**
