Word Study for --- WASTING

A photograph of a rural landscape featuring rolling green hills. In the foreground, there's a mix of dark, leafy vegetation and lighter-colored, possibly dead or dry, plants. The middle ground shows more hills covered in green grass. The background is dominated by a vast, dark, and heavily clouded sky, creating a somber and dramatic atmosphere.

**Isa 59:07 Their feet run to evil, and
they make haste to shed innocent
blood: their thoughts [are] thoughts of
iniquity; wasting and destruction [are]
in their paths.**

**Isa 60:18 Violence shall no more be
heard in thy land, wasting nor
destruction within thy borders; but
thou shalt call thy walls Salvation, and
thy gates Praise.**
