Word Study for --- WEARINESS

A landscape photograph featuring a range of majestic, snow-capped mountains in the background. In the middle ground, a dark-colored passenger train with several cars is visible, moving from left to right. The sky above is filled with large, billowing clouds, creating a dramatic and somewhat somber atmosphere. The overall color palette is dominated by blues and greys, reflecting the cold and weary theme of the word study.

**Ecc 12:12 And further, by these, my son,
be admonished: of making many books
there is no end; and much study is a
weariness of the flesh.**

Mal 01:13 Ye said also, Behold, what a weariness [is it! and ye have snuffed at it, saith the LORD of hosts; and ye brought [that which was] torn, and the lame, and the sick; thus ye brought an offering: should I accept this of your hand? saith the LORD.

**2Co 11:27 In weariness and
painfulness, in watchings often, in
hunger and thirst, in fastings often, in
cold and nakedness.**
