Word Study for --- WIDOW'S

A close-up photograph of several purple flowers, likely lilies, with prominent yellow stamens and dark centers. The flowers are set against a dark green background, possibly leaves. The lighting is soft, highlighting the delicate texture of the petals.

Gen 38:14 And she put her widow's garments off from her, and covered her with a veil, and wrapped herself, and sat in an open place, which is by the way to Timnath; for she saw that Shelah was grown, and she was not given unto him to wife.

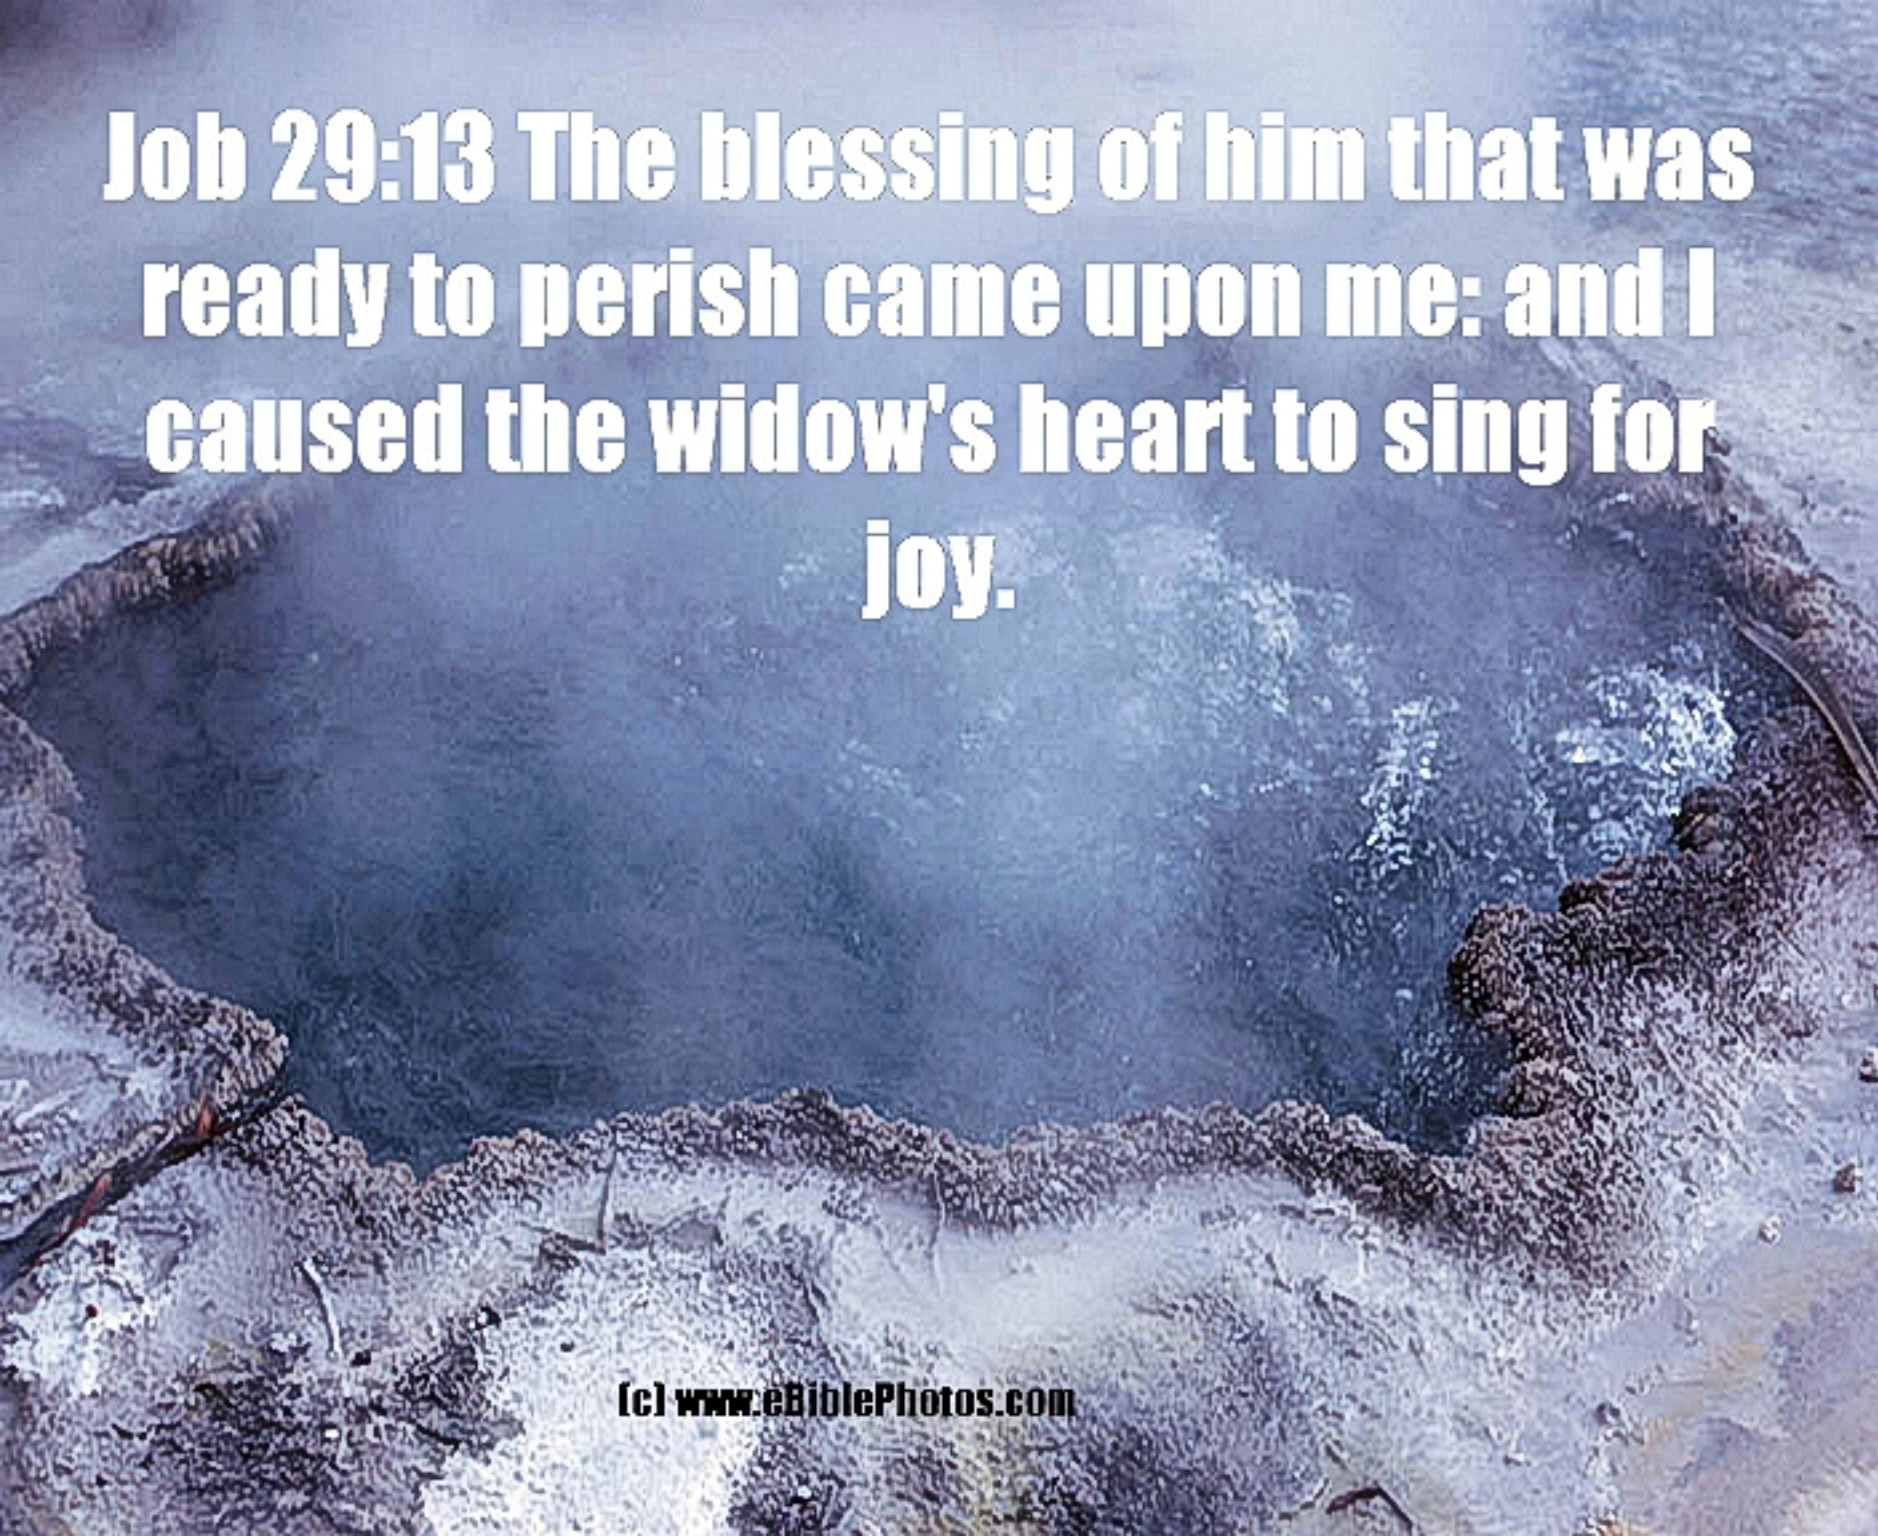

Deu 24:17 Thou shalt not pervert the judgment of the stranger, (nor) of the fatherless; nor take a widow's raiment to pledge:

The background of the image is a close-up, top-down view of a pond filled with numerous green lily pads. The lily pads are of various shades of green, from bright lime to dark forest green, and are densely packed together, covering most of the dark water surface. The lighting is bright, creating highlights on the edges of the leaves and casting soft shadows in the water between them.

**1Ki 07:14 He [was] a widow's son of the
tribe of Naphtali, and his father [was] a
man of Tyre, a worker in brass; and he
was filled with wisdom, and
understanding, and cunning to work
all works in brass. And he came to
king Solomon, and wrought all his
work.**

**Job 24:03 They drive away the ass of
the fatherless, they take the widow's
ox for a pledge.**

**Job 29:13 The blessing of him that was
ready to perish came upon me: and I
caused the widow's heart to sing for
joy.**
