A close-up photograph of a cluster of purple flowers, likely azaleas, with prominent stamens. The flowers are in various stages of bloom, showing delicate petals and vibrant purple hues. The background is a dark, out-of-focus green, suggesting foliage. The text is overlaid on the top portion of the image.

Word Study for --- WRING

**Lev 01:15 And the priest shall bring it
unto the altar, and wring off his head,
and burn [it] on the altar; and the
blood thereof shall be wrung out at
the side of the altar:**

Lev 05:08 And he shall bring them unto the priest, who shall offer [that] which [is] for the sin offering first, and wring off his head from his neck, but shall not divide [it] asunder:

A large, multi-armed cholla cactus (Cylindropuntia) is the central focus of the image. The cactus has several thick, ribbed arms extending upwards and outwards, each covered in small, dark spines. The background is a clear, bright blue sky. In the lower right corner, there is a smaller, more traditional saguaro cactus with two arms. The overall scene is a desert landscape.

**Psa 75:08 For in the hand of the LORD
there is a cup, and the wine is red; it is
full of mixture; and he poureth out of
the same: but the dregs thereof, all the
wicked of the earth shall wring them
out, and drink them .**
