

**Joshua 19:44 And Eltekeh, and  
Gibbethon, and Baalath,**

A close-up photograph of several ranunculus flowers. The central flower is a double-flowered variety with light pink and white petals, some with dark purple or maroon variegation. To its left is a large, bright yellow flower. To its right is a smaller, solid pink flower. In the bottom right corner, there is a yellow flower with orange and red variegation. The background is dark, making the vibrant colors of the flowers stand out.
