

A close-up photograph of a dense field of daisies. The flowers are primarily purple and pink, with some red ones visible in the background. The centers of the flowers are dark purple or black with yellow stamens. The foliage is bright green and appears to be a variety of daisy leaves. The lighting is bright, suggesting a sunny day.

Genesis 01:05 And God called the  
light Day, and the darkness he  
called Night. And the evening and  
the morning were the first day.
