

A photograph of several sunflowers with bright yellow petals and dark brown centers, growing in front of a weathered wooden fence. The sunflowers are in various stages of bloom, with some fully open and others still budding. The green leaves of the plants are visible, some showing signs of insect damage. The background is a rustic wooden fence with vertical planks.

whereon the soles of your feet
shall tread shall be yours: from the
wilderness and Lebanon, from the
river, the river Euphrates, even
unto the uttermost sea shall your
coast be.**
