

Luke 17:12 And as he entered into a certain village, there met him ten men that were lepers, which stood afar off:

A photograph of a beach with driftwood and sand dunes. The scene is captured in a desaturated, almost monochromatic style. In the foreground, a large, weathered piece of driftwood lies horizontally across the frame. The sand is dark and textured, with several smaller pieces of driftwood scattered around. In the background, a large, rounded sand dune rises against a dark, overcast sky. The overall mood is somber and quiet.
