

A close-up photograph of a stone fountain. The fountain is made of dark, textured stone blocks. A central spout is visible, with water flowing down into a shallow, circular stone basin. The water in the basin is slightly rippled and has a brownish tint. The background is a wall of similar stone blocks.

**Luke 10:11 Even the very dust of
your city, which cleaveth on us, we
do wipe off against you:
notwithstanding be ye sure of this,
that the kingdom of God is come
nigh unto you.**
