

An aerial photograph of a coastline. In the foreground, a light-colored, rocky shore curves along the bottom edge. The water is a deep, dark blue-green color, with visible ripples and reflections. A small, dark, rocky island or headland is visible in the middle ground, surrounded by the water. The overall scene is serene and natural.

**Hebrews 11:22 By faith Joseph,
when he died, made mention of
the departing of the children of
