

A close-up photograph of a cluster of hydrangea flowers. The flowers are in various stages of bloom, with some fully open and others as buds. The petals are a vibrant pink, transitioning to a pale yellow at the base. The center of the flowers is a dense cluster of small, green, unopened buds. The background is dark and out of focus, highlighting the texture and colors of the flowers.

Job 27:13 This is the portion of a wicked man with God, and the heritage of oppressors, which they shall receive of the Almighty.
