A close-up photograph of a garden bed. In the foreground, several smooth, light-colored rocks are scattered among green plants. A large, dark brown butterfly with two prominent eyespots on its wings is perched on a rock in the lower right. To its left, a bright orange butterfly is on another rock. Further back, a blue and white striped butterfly is visible. The background is filled with lush green foliage and a few small red flowers. The lighting is bright, suggesting a sunny day.
