

A close-up photograph of a petunia bush. The image features several large, vibrant red flowers in full bloom, interspersed with a few white flowers. The petals are layered and have a slightly ruffled texture. The background is filled with dense, bright green leaves, some of which show signs of being eaten by insects, with small holes visible. The lighting is bright, creating high contrast between the red, white, and green colors.

**Mark 01:30 But Simon's wife's
mother lay sick of a fever, and
anon they tell him of her.**
