

A close-up photograph of a vibrant red rose. The rose is the central focus, with its many layers of petals creating a complex, swirling pattern. The color is a rich, deep red. In the background, there are dark green leaves and a small, unopened rose bud with a hint of yellow and red. The lighting is soft, highlighting the texture of the petals.

**1st Timothy 05:06 But she that
liveth in pleasure is dead while she
liveth.**
