

An aerial photograph of a tropical coastline. The water is a vibrant turquoise color, transitioning to a deeper blue further out. A narrow, elongated strip of land, covered in lush green vegetation, runs diagonally from the top left towards the bottom right. The land is bordered by a thin strip of white sand beach. The overall scene is serene and picturesque, typical of a tropical island.

**Gen 19:05 And they called unto Lot, and
said unto him, Where are the men
which came in to thee this night? bring
them out unto us, that we may know
them.**
