

A dramatic painting of a stormy sea. The sky is dark and turbulent, with a bright, ethereal light source breaking through the clouds, casting a powerful beam of light down onto the churning water. The waves are dark and swirling, with white foam and spray visible as they crash. The overall mood is one of divine power and hope amidst a storm.

**Mat 08:08 The centurion answered
and said, Lord, I am not worthy that
thou shouldest come under my roof:
but speak the word only, and my
servant shall be healed.**
