

An aerial photograph of a vast, frozen body of water, likely a lake or sea. The ice is a deep, textured blue, with numerous cracks and ridges. A prominent, winding path of lighter, more crystalline ice leads from the bottom right towards the center of the frame. In the background, a range of snow-capped mountains stretches across the horizon under a clear, pale blue sky. The overall scene conveys a sense of isolation and the power of nature.

**Psa 40:17 But I [am] poor and needy; I
yet [the Lord] thinketh upon me: thou [art]
my help and my deliverer; make
no tarrying, O my God.**
