

A small green boat is moored on a body of water. The boat is positioned in the upper right quadrant of the image. The water is dark blue with some ripples. In the foreground, there is a dense thicket of brown and yellowish vegetation, possibly reeds or tall grasses, which is out of focus. The background shows a rocky shoreline with some sparse greenery. The overall scene is somewhat somber due to the muted colors and the small size of the boat.

**2Ki 19:26 Therefore their inhabitants
were of small power, they were
dismayed and confounded; they were
as the grass of the field, and as the
green herb, as the grass on the
house tops, and as corn blasted
before it be grown up.**
