

A photograph of a desert landscape. In the foreground, there is a sandy, arid ground with scattered low-lying green and grey shrubs. A prominent, dark, gnarled tree stands on the left side. In the middle ground, a large, rugged rock formation rises, featuring a prominent vertical crack. The background shows more desert hills under a blue sky with some light clouds.

**2Ch 25:15 Wherefore the anger of the
LORD was kindled against Amaziah,
and he sent unto him a prophet, which
said unto him, Why hast thou sought
after the gods of the people, which
could not deliver their own people out
of thine hand?**
