

An aerial photograph of a massive, dark, and craggy rock formation, possibly a natural arch or a large cave entrance. The rock face is textured with vertical fissures and horizontal ledges. To the left of the rock formation, a small village with red-roofed houses is visible, nestled among green trees. The surrounding landscape is lush and green, with more trees and vegetation. The text "Pro 21:12 The righteous man wisely considereth the house of the wicked: but God overthroweth the wicked for their wickedness." is overlaid in white, bold, sans-serif font across the upper portion of the image.

**Pro 21:12 The righteous man wisely
considereth the house of the wicked:
but God overthroweth the wicked for
their wickedness.**
